

Please Buy A Seat For

Our Lady of Lourdes Hungerford New Church Project

Are you sitting comfortably? Then please spare a moment to reflect on the exciting stage that we have reached with our new church. The foundations are in, the building is under construction, and so our legacy for the future to build our beautiful traditional new church is well under way.

So that everything will be ready for when the builder hands over the new church, and we have it consecrated by the Bishop, we now have to order the things that we need for the inside.

We kept the chairs from the old church as we do not have the funds to provide new chairs or pews. You will remember that the old seating was well past its best and many of the chairs have woodworm. We would prefer not to put the old chairs into our beautiful new church.

We are therefore asking anyone who can to buy a seat, or multiple seats, on a bench or chair. If we can all help with this special individual element of the fund raising campaign then we can easily reach the target to replace all the seating for the new church. We need to raise the money to buy a total of **160 new seats**.

Following the presentation after mass, on the 30th June 2013, pews were given the popular vote with a few matching chairs where needed; these are currently being costed in detail but we estimate that it will amount to around **£150 per seat** on a pew.

Please spare a moment now to fill in the lower half of this form, tear it off and hand it to one of the fund raising team. Alternatively, please post it to the address below.

Thank you very much for your help.
