

**A double dose:**

After Holy Communion today the servers will hand out the CAFOD family fast day envelopes. Please give the value of what you go without next Friday - Family Fast Day – and return the envelope next week-end.

After Mass you will see the shoeboxes and lists on the table. They were mentioned last week. Please fill with anything on the list. They will be taken to Eastern European needy families. Both excellent causes. Thank you.

*There are also copies of the latest diocesan magazine, Portsmouth People. Again the servers will offer them to you after Holy Communion.*

**Last Sunday:**

It was an enjoyable gathering in the hall after 11am last Sunday – intended especially for the families with recently baptised little ones. Very grateful to all who came, and especially those who worked hard behind the scenes.

**Outreach:**

It is planned that our HOT F children will visit the residents at the Day Centre fairly soon. The invitation came from the Centre.

Please remember **Christine Jennings** in your prayers. She died in hospital in Swindon a few days ago. She was received into the Church at Hungerford a few years ago, and was a very committed Catholic who appreciated the faith and the Church that she found. May she rest in Christ's peace. Amen.

We include Br. Gus and David Hare too in our prayers for the dead.
